WELCOME LETTER

Dear Prospective Student

Congratulations! You are taking the first step to applying for GateWay Aesthetics Program. Our program offers hands-on training and assists in preparing our students for employment in today's workforce. Aestheticians are trained skin care professionals who specialize in providing skin care and beauty-related services. As an Aesthetician, you will perform facials, skin analysis, and body treatments, including full body exfoliation. You will also learn hair removal techniques using both hard and soft wax, light exfoliation with fruit acids (peels), and microdermabrasion. If you work well with people and desire a career that will allow you to work on cruise ships, in day spas, resorts, salons or private practices, then our Aesthetics program is for YOU!

Our accredited program is approximately seven months in length and upon completion awards a Certificate of Completion (CCL) in Aesthetics. To be a practicing Aesthetician, you will have to pass the Arizona State Board of Barbering and Cosmetology exam to receive an Aesthetician License. The state board exam consists of two written tests. For more information on Aesthetician careers and salary, please visit www.onetonline.org.

The Student Services Team is excited to welcome you to GateWay and is here to provide assistance to help you succeed. If you have questions, please do not hesitate to contact us at 602-392-5030. Thank you for your interest in the GateWay Aesthetics program, and we look forward to your graduation.

Sincerely,

Medical Marijuana Policy

Maricopa Community Colleges prohibit the possession and use of marijuana on all campuses and in all off-campus student activities, including clinical externship and clinical learning experiences in health programs. This policy is dictated by Arizona Revised Statutes § 15-108, which prohibits any person, including a medical marijuana cardholder, from possessing or using marijuana on the campus of any public university, college, community college or post-secondary education institution. Federal legislation prohibits any institution of higher education that receives federal funding from allowing the possession and use of marijuana.

Maricopa Community Colleges receive federal funds through grants and financial aid. Maricopa Community Colleges continue to enforce current policies regarding controlled substances and any student or employee who violates university policy prohibiting the use or possession of illegal drugs on campus or in student activities - including educational externship - will be subject to disciplinary action and criminal prosecution.

Urine drug screens are required of students prior to attending healthcare clinical externship. Medical marijuana, or its metabolite, is not an accepted substance in urine drug screens and will result in a positive urine drug screen. Students with a prescription for medical marijuana would not be considered exempt from urine drug screening.

Nondiscrimination Policy

The Maricopa County Community College District does not discriminate on the basis of race, religion, color, national origin, sex, handicap/disability, sexual orientation, age, or Vietnam-era/disabled Veteran status in employment or in the application, admission, participation, access, and treatment of persons in instructional or employment programs and activities.
