> **Favorite Quote:**

“My hope emerges from those places of struggle where I witness individuals positively transforming their lives and the world around them. Educating is a vocation rooted in hopefulness. As teachers we believe that learning is possible, that nothing can keep an open mind from seeking after knowledge and finding a way to know.” – Bell Hooks

> **Inspiration:** Women who have been in the fight for freedom, for love, for education. People of color who have been in that same fight; who have lived in the struggle. That’s where my inspiration comes from. From ancestors, and history. From tears, the struggle, hard work, and progress. My inspiration is all of it, combined and whirling about to bring new life and new light to new generations.

Teaching Experience

I moved to Phoenix from Tucson where I taught ELL (English Language Learner) students for 6 years. I worked with both 7th and 8th grade students in an SEI setting. Working with students of all ages is a passion of mine, and I'm excited to now be working with GWECHS students.
