Favorite Quote:

"Sometimes, I feel discriminated against, but it does not make me angry. It merely astonishes me. How can any deny themselves the pleasure of my company? It's beyond me."

– Zora Neale Hurston

Inspiration:

The past is a form of inspiration for me. When I see the past, even the parts I don't like, I use it as a source of inspiration. I try to look at the "good" I can take from the bad, and use the bad as a means of *pushing* me in the present to achieve even more. And to make sure those mistakes can never be repeated.
