INTERIM PRINCIPAL’S MESSAGE

July 27, 2020

Dear GateWay Early College Parents/Guardians and Students,

It is with great pleasure that we welcome you to the 2020-2021 school year at GateWay Early College High School. Our staff has worked hard this summer to create a safe and healthy environment for our families. As we prepare to begin classes on August 17th in an online environment, our teachers have been realigning their curriculum in an effort to meet the online demands of our students. It is our goal to ensure that we provide the highest level of academic standards as we prepare our students to be college graduates and career-focused.

We look forward to working with you to further your student’s opportunities. We encourage you, the parents/guardians, to involve yourselves in the development and progression of your student’s education. You can do this by joining us during our Cafecito sessions or by participating in the GateWay Early College High School Leadership Team. If you are interested, please email Teri Carroll at teri.carroll@gatewaycc.edu. New members are always welcome. Your child’s education and well-being is our number one priority. If you have any questions or concerns, I encourage you to contact me at your leisure.

Sincerely,

GRADE REPORTING AND PROGRESS REPORTS
Gateway Community College Grades
Gateway Community College does not mail grade reports. Grades are available on-line at the end of each semester through www.maricopa.edu.

High School Grades
School offers the opportunity for students to learn. Students are advised to use free time as study time at school and to plan on study time at home daily. Grades are an evaluation of what has been learned. They become part of a permanent record that lasts FOREVER! Institutions of higher learning, potential employers, and the various military services are interested in student records. We only keep them - - students earn them.

Mid Term Progress reports are issued mid quarter and high school report cards/progress reports are issued at the end of each semester. Academic grades encompass an evaluation of homework, test grades, class work, quizzes, reports, projects, portfolios, and class participation. Gateway’s grading scale is as follows: 90%=A, 80%-B, 70%-C, 69% or below=F (GWECHS does not issue “D”s)

Teachers post grades on-line through our student management system. Currently, grades are uploaded weekly. Parents are encouraged to follow the hyperlink to the Family Link found on our website (http://www.gatewaycc.edu/ECHS/).

Students who do not confer with the Early College counselor prior to withdrawing may be placed on academic probation.

ADMISSIONS POLICY
Gateway Early College High School maintains an open enrollment admission policy and does not discriminate on basis of race, creed, color, national origin, sex, or handicap in its educational programs or activities, as required by law.

Gateway Early College High School enrolls students on a first come first served basis under the following guidelines:
   In accordance with ARS 15-184, GWECHS enrolls all eligible pupils who submit a timely application unless the number of applicants exceeds the capacity of a program, class, grade level or building.
   In accordance with the principles and practices established in our charter, there will be no more than 100 students per grade level. Enrollment application packets must be fully completed and on file in the office before students are placed on the waiting list.
   Siblings of enrolled students and children of staff members have first right of refusal.

ATTENDANCE
Attendance is a critical aspect of learning and a crucial part of success at Early College High School. Gateway Early College will maintain a strict policy regarding attendance so that students will be able to take full advantage of the extraordinary opportunity extended to them.

All students are expected to be regular and punctual in their attendance. Unwarranted or excessive absences from Gateway Community College classes may result in the student being dropped from those classes per community college rules. Punctual transportation to and from school is a student’s responsibility. A missed bus, missed ride, or car problems is not a considered an excused absence.

The Early College High School attendance policy shall be as follows:
Please call the school’s Attendance Reporting Line at (602) 286-8751 before 9:30 a.m. to notify us if your student is home sick and cannot attend school for the day. Please provide the following information:
   Name of caller
   Student’s name and grade
   Reason for absence

   Attendance is taken each period. If students are truant to any or all classes during a particular day they will be counseled by Early College High School staff and a call will be made to parents/guardians. Gateway uses an automated calling system that makes daily calls for absences. If your child’s absence is listed as unexcused, you will receive a call that evening.
   A second truancy will result in parent conference with staff.
   A pattern of unexcused absences may result in a re-evaluation of eligibility to continue to attend GWECHS.

Student Illness and Accident –
   Parent(s)/Guardian(s) are required to furnish the school with current Emergency Card, including:
   The parent/guardian and student’s home address and phone number.
   The parent/guardian’s business address and phone number.
   The names, addresses, and telephone numbers of two (2) relatives or friends who are authorized by the parents or guardian to care for the student in case of emergency when the parent/guardian cannot be reached.

It is the Parent/Guardian’s responsibility to notify the school of the changes in this information. A new Emergency Card may be obtained in the GWECHS office.

   It is a student’s responsibility to arrange for all make up work following an excused absence
After a student has been absent for three days due to illness, the office will assist in obtaining assignments. If this service is necessary, a request should be made to the Administration office at 602-286-8759. Please allow 24 hours for teachers to prepare materials.

- A parent/guardian signature with daytime phone number.

If no parent phone call is received on the day of absence, students must provide a written note excusing the absence signed by parent/guardian the day of return. A student’s absence will be considered excused only when verified by a parent/guardian. Falsely representing a parent/guardian in any way will result in disciplinary action.

**IMPORTANT NOTE:** Students who are over 18 years old and live with their parent/guardian are STILL required to have a parent/guardian excuse their absences.

- **GWECHS participates in the Maricopa County Truancy program (CUTS).**
  
  The CUTS Program was developed to more appropriately respond to the growing issue of truancy in Maricopa County. The Juvenile Probation Department has targeted truancy as one of the primary indicators that youth are at risk or are participating in risk taking behavior. CUTS is a diversion program that assists first an second truancy offenders by providing services which educate and address the individual needs of the child and family. By addressing truancy issues at the juvenile’s school with their parent/guardian and a school representative involved, the child is held responsible, the parent is empowered and communication barriers are removed to ensure that the juvenile is successful and receives an appropriate education. Further information may be found at [www.superiorcourt.maricopa.gov/JuvenileProbation/Probation/CUTS](http://www.superiorcourt.maricopa.gov/JuvenileProbation/Probation/CUTS).

**Definitions**

CLOSED CAMPUS
GateWay Early College High School is a closed campus. Students are NOT permitted to leave the campus for lunch except as seniors and ONLY with an approved Off-Campus pass on file with the office and 15 credits earned towards graduation. Underclassmen will not be given lunch passes to leave campus under any circumstances. If a student needs to leave campus for any reason during the school day, a parent/guardian must sign them out in the front office.

Automobiles
All automobiles driven to school by students must have a valid parking sticker issued by GWCC. Drivers are expected to follow the rules of safe driving and common courtesy. All student drivers must have a valid driver’s license.

PRE-ARRANGED ABSENCES
Off Campus
Parents may request a pre-arranged absence from school for up to five (5) days of instruction for such things as medical/dental appointments, court appearances, or emergencies. Pre-arranged absences will not be allowed for vacation. Vacation absences will be unexcused. Students should pick up the form in the GWECHS Administration Office. After teachers have signed the form indicating any homework or comments on how the absence will affect grades, the student should take the form home for a required parent’s signature and then return it to the GWECHS Administration office for final review and approval by the Principal.

Appointments
When scheduling student appointments outside of school (doctor, dentist, etc) please remember that the number of absences allowed in a college course may be limited by the professor-multiple absences may affect a grade in a college class. It would be in the student’s best interest to avoid having appointments at times when college classes meet. Your student should know when their classes start/stop but if you need that information please contact the office or the student’s seminar teacher for more information.

If a student has an appointment with a doctor or dentist during the school day or if he or she needs to be excused for any other valid reason, a parent or guardian must contact the GWECHS office by telephone or send a note with their student to school. Failure to do so is considered an unexcused absence, and is subject to a zero for class work and disciplinary action. Written verification will be required from the doctor, dentist, or place of appointment for the time away from school to be excused. This note must be brought back from the appointment or returned the next school day.

TRUANCY LAW/STATEMENT: MARICOPA COURT UNIFIED TRUANCY SUPPRESSION PROGRAM (CUTS)
GWECHS participates in the Maricopa C.U.T.S. (Court Unified Truancy Suppression) program. 18 unexcused or excused absences will result in a warning letter from the school. If the truancy is not resolved, the next intervention will involve court intervention in line with Arizona State law (A.R.S. 15-803) says that it is unlawful for any child between the ages of six and sixteen to fail to attend school during the hours school is in session, unless there is a valid excuse. The child will be considered truant when there is not a good reason for not attending school. If a parent fails to ensure that the child attends school, the law states that he/she is guilty of a class 3 misdemeanor. When the parent does not provide a valid excuse for the child’s absence the school attendance officer may cite the student, parent or custodian directly into court for violating the state truancy law. Absences will affect eligibility for participation in extra-curricular activities.

DIRECTORY INFORMATION AND MILITARY RECRUITERS
GateWay Early College will not release student information without written authorization. However, by law, we must release student’s names and phone numbers/addresses to military recruiters unless a signed opt out form is submitted to the front office at the beginning of the school year.
STANDARDS OF STUDENT CONDUCT

DRESS CODE
We realize that our students are on a college campus, where the style of dressing is more varied than at a regular high school campus; however, because GWECHS is a high school committed to preparing students for college and careers, students are expected to dress appropriately and in good taste at all times while on campus, in the classroom, or on field trips. Inappropriate attire can create distractions during class time, and can also expose students to unwelcome attention on the campus by some adults. We suggest students wear more casual business-like attire. Unkempt appearances must be corrected before returning to class. Extremes of any kind of fad or wearing apparel which call undue attention to the person are not acceptable. Any clothing which by word, statement or graphic representation that is derogatory, demeaning, or taunting in nature which states or implies to incite or upset students or staff members is not acceptable. Students in violation of the dress code will be asked to correct the dress concern with the simplest solution at hand. **If the student has to go home for a clothing change, an unexcused absence may be issued. Repeated dress code violations may result in suspension from school for dress code and insubordination issues.**

- Shorts may be worn, providing that they are of appropriate length and appearance. The check for this will be to extend arms down; short length should be beyond fingertips. No cut-offs. No spandex. All shorts must be neat in appearance without torn areas or holes.

- Apparel advertising tobacco, alcohol, illegal substances, and/or offensive slogans are not acceptable attire at school or at school sponsored functions. Slogans considered offensive would include double meaning sexual jokes or sayings, profanity, promotion of cultic groups or clans, gang affiliated symbols or sayings, racial or social slurs. Sayings or graphics that are rude or crude are inappropriate.

- Swimsuits, halters, midriff shirts, spaghetti strap tops, and tank tops/basketball jersey type tops, mesh see through material shirts/blouses, pajamas, or tube tops are considered inappropriate attire for school.

- Pants must be worn above the hips - **NO SAGGING.** (Pants cannot sit below the cleft of the buttocks.)

- The wearing of clothing, related apparel, jewelry or manner of grooming, that by virtue of its association with memberships to groups, cults, gangs or represents or attempts to copy gang-like behavior will not be tolerated in school or at any school activity. Examples that have come to light in school settings include trench coats, armbands, satanic pentagram (star), and swastika emblems. Additionally jewelry or apparel worn to represent self mutilation or murder is not acceptable in this school setting. Wearing of chains (interlinked, animal collars), choke chains and spikes are not acceptable as supplementary or accent jewelry.

- Students must have their student ID’s with them at all times.

Much attention has been drawn to schools about safe environments that are free of intimidation or harassment that comes either verbally, physically or visually. **The standards outlined in this handbook have been implemented to help ensure a safe environment and are not intended to diminish personal taste or values.** Extreme fads or expressions that detract from instruction represent a standard of inappropriateness for school. Such types of dressings may be perceived as attempts by individuals to incite others to react and to create an antagonistic confrontation. At that point the safety and welfare of the general school environment may be considered as compromised.

**Inappropriate dress includes:**

- Shirts with straps that are less than 2 inches wide or show the stomach
- Clothing with excessive holes
- Gang-related clothing or insignia
- See-through shirts, unless an additional shirt is worn underneath
- Clothing that is skin tight, or reveals the back, midriff, cleavage, or buttocks
- Clothing that exposes underwear; underwear worn as outerwear.
- Attire showing pictures, logos or messages promoting drugs, exploitation, discrimination, profanity, or violence or other activities that are illegal for minors.
- Blouses or tops which are too short, causing the mid-section, including the belly button, to be exposed.
- Short shorts or micro-mini skirts – Inseam cannot be shorter than 4 inches
- Headwear (all caps/hats, scarves, beanies, stocking caps, “do-rags”, wave caps, etc.) may not be worn inside unless such item has religious affiliation. You can wear them outside of the building at any time.
- Pajama pants, slippers or other sleeping attire (except for specific spirit days)

The violator may not return until the condition is corrected or the case is reviewed by the school administration.

Yelling, even out of excitement, is not acceptable. If a college or high school staff member asks you to leave you must do so immediately and quietly.

State law prohibits tobacco products on school grounds, in school buildings, in school parking lots or playing fields, in buses or other vehicles or at off-campus events sponsored by the school. These provisions affect all traditional public, charter, and private schools serving students in K-12. GWECHS students are prohibited from smoking anywhere on the community college campus.

The Maricopa County Community College District is dedicated to providing a healthy, comfortable, and educationally productive environment for students, employees, and visitors. In order to promote a healthy learning and work environment, the Chancellor has directed that the Maricopa County Community College District serve as a total smoke free and tobacco free environment. Smoking (including the use of “e-cigs”) and all uses of tobacco shall be prohibited from all District owned and leased property and facilities, including but not limited to parking lots, rooftops, courtyards, plazas, entrance and exit ways, vehicles, sidewalks, common areas, grounds, athletic facilities, and libraries.

All students are expected to respect and care for all property of both GWECHS and GWCC including facilities and books. Willful destruction or defacement of school district property at any time is cause for disciplinary action up to and including expulsion from the program. Student grades and transcripts will be withheld until all costs from damages have been paid. When the pupil and parent/guardian are unable to pay for damages, a program of voluntary work for the student will be provided in lieu of monetary payment.

**TEXTBOOKS**
*Both Early College High School issued textbooks and Gateway Community College textbooks are the property of GWECHS.* Books are to be returned to the GWECHS Administration office at the end of the semester. Students who do not return Early College or college textbooks may lose eligibility for placement in future college classes. Rental books may have a fine attached to them if they are turned in late.

**STUDENT PROPERTY**
Students are encouraged to use good judgment in what they bring to school. They should not bring items of great value to school. If they do so, they bring them at their own risk. The school assumes no responsibility for loss to students’ personal property. Items that may cause a distraction in the classroom are subject to confiscation by administration and will be returned to student after parent notification has been made.

**LOST AND FOUND**
Students who find lost articles should take them to the GWECHS office. Students who lose articles should first check with the GWECHS office and then check with GWCC College Safety Office.

**ELECTRONIC MEDIA INTERNET ACCEPTABLE USE, TERMS AND CONDITIONS**
Internet access is available to Early College students as an educational tool. The school’s goal in providing this service is to promote educational excellence by resource sharing and gathering information and news from research institutions. We are pleased to offer Early College High School students access to computers in the Gateway Community College library and Computer Commons. To use the Internet in the College Library, all minor students must obtain parental permission. Families should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. However, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, Gateway Early College High School will support and respect each family's right to decide whether or not to apply for access.

Gateway Early College High School, in partnership with Gateway Community College deploys and enforces a technology protection measure to prevent minors from gaining access to visual depictions that are pornographic, harmful to minors or obscene. (A.R.S. 34-501 and 34-502)

COMPLAINTS AND CONCERNS

We are grateful for your time and support and for entrusting us with the education of your children. Should you ever encounter a problem at school, please discuss it with the teacher involved or principal as soon as possible. Doing this prevents uneasiness and tensions from building up. A well-balanced child can only develop with the full cooperation of parents and teachers. We are ready and willing, at all times, to be of service to the students entrusted to our care.

We will listen to you and do what is best for all concerned. The following complaint procedure is in place:

1. Contact the Gateway staff member (teacher, office staff, administrator etc.,) directly involved and attempt a resolution to the problem. Express complaints against specific individuals first to the individual in question and then to the principal if you deem it necessary.
2. If necessary, arrange an informal meeting with the principal before seeking any other recourse. If the issue is not resolved in the meeting, the matter may be referred to the next level of review.
3. If you are dissatisfied with the outcome of the meeting, please complete a Parent Complaint Form, available in the office. Upon receipt of the signed form, the Director will schedule a conference to be held within ten school days between the parent, principal, teachers, staff members and/or professionals whose input might be relevant to the issue in question. In the event the staff members are not available, an appropriate designee will attend. Any relevant documentation must be submitted to the principal by all parties in advance of the meeting for review by the principal prior to the meeting. Following the review of the documentation provided, the principal will convene a meeting with those relevant to the complaint. If the complaint involves a grade the material submitted will be evaluated to make sure that they fall within (1) the teacher’s own grading policy; (2) the parameters set by the high school (see Grade Reporting found on Page 10); (3) that all assignments turned in on time to the teacher were graded and that appropriate credit was given.
4. If the issue is not resolved to the parent’s satisfaction, the proposed resolution, along with all data, information forms, and other documentation pertinent to the matter at hand, shall be forwarded to the College President for a due process hearing and final decision.
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA - 20 U.S.C. §1232g) is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request made to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the records without copies. Schools may charge a fee for copies.

Parents or eligible students have the right to request in writing that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest
  - A school official is a person employed or contracted by the school to serve as an administrator, supervisor, teacher, or support staff member (including health staff, law enforcement personnel, attorney, auditor, or other similar roles); a person serving on the school board; or a parent or student serving on an official committee or assisting another school official in performing his or her tasks;
  - A legitimate educational interest means the review of records is necessary to fulfill a professional responsibility for the school;
- Other schools to which a student is seeking to enroll;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, sports participation (including height and weight of athletes) and dates of attendance unless notified by the parents or eligible student that the school is not to disclose the information without consent.
SPECIAL EDUCATION

It is Gateway Early College’s responsibility to inform the general public and all parents of students enrolled in our school of our responsibility to make available special education services for students with disabilities and how to access those services. In addition we have a responsibility to provide information regarding early intervention services for children birth through 2 years of age.

We are responsible for identifying, locating, and evaluating all children with disabilities within our school and for making appropriate referrals to:

1. Arizona Early Intervention Program (AzEIP) for children birth through 2 years of age for evaluation and services if needed; and
2. School district of residence for children aged 3 through 5 for evaluation and services if needed.

We are also responsible for providing a free and appropriate public education (FAPE) which includes special education and related services for students with disabilities at public expense, under public supervision and direction and without charge to the parents. For all new students to the school, the classroom teacher will complete screening activities within 45 days of enrollment. The teacher will look at the child’s ability in the areas of academics, vision, hearing, adaptive, communication, social/emotional and motor skills. If any concerns are noted the child may be referred for additional help.

GWECHS provides special education and related services, at no additional cost, designed to meet the needs of students with disabilities under the Individuals with Disabilities Education Act. To initiate a special education referral, please contact our office at 602-286-8759.

The Individuals with Disabilities Education Act (IDEA) is a federal law that protects the rights of students with disabilities. In addition to standard school records, for children with disabilities education records could include evaluation and testing materials, medical and health information, Individualized Education Programs and related notices and consents, progress reports, materials related to disciplinary actions, and mediation agreements. Such information is gathered from a number of sources, including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional pertinent sources, such as doctors and other health care providers. This information is collected to assure the child is identified, evaluated, and provided a Free Appropriate Public Education in accordance with state and federal special education laws.

Each agency participating under Part B of IDEA must assure that at all stages of gathering, storing, retaining and disclosing education records to third parties that it complies with the federal confidentiality laws. In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

ANTI-BULLYING POLICY Prohibition of Harassment, Intimidation, and Bullying

HB 2368 directs school district governing boards to adopt and enforce procedures that prohibit pupils from harassing, intimidating and bullying other pupils. GateWay Early College High School is committed to a safe and civil educational environment for all students, employees, volunteer and patrons, free from harassment, intimidation or bullying. Nothing in this policy requires the affected student to possess a characteristic that is a perceived basis for the harassment, intimidation, or bullying, or other distinguishing characteristic. Harassment, intimidation or bullying can take many forms including: slurs, rumors, jokes, innuendo’s, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions.

"Intentional acts" refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s). This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the education environment. Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator and remediate the impact on the victim. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation. False reports or retaliation for harassment, intimidation or bullying also constitutes violations of this policy. GateWay Early College High School Principal is authorized to direct the development and implementation of procedures addressing the elements of this policy.

BULLYING

Bullying may occur when a student or group of students engages in any form of behaviors that includes such acts as intimidation and/or harassment that has the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm or damage to property, is sufficiently severe, persistent or pervasive that the action, behavior, or threat creates an intimidating, threatening, or abusive environment in the form of physical or emotional harm, occurs when there is a real or perceived imbalance of power or strength, or may constitute a violation of law.

Bullying of a student or group of students can be manifested through written, verbal, physical, or emotional means and may occur in a variety of forms including, but not limited to verbal, written/printed or graphic exposure to derogatory comments, extortion, exploitation, name calling, or rumor spreading either directly through another person or group or through cyberbullying, exposure to social exclusion or ostracism, physical contact including but not limited to pushing, hitting, kicking, shoving, or spitting, and damage to or theft of personal property.

HARASSMENT

Harassment is intentional behavior by a student or group of students that is disturbing or threatening to another student or group of students. Intentional behaviors that characterize harassment include, but are not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact and unwelcome verbal or written comments, photographs and graphics. Harassment may be related, but not limited to, race, religious orientation, sexual orientation, cultural background, economic status, size or personal appearance. Harassing behaviors can be direct or indirect and by use of social media.

CYBERBULLYING

Cyberbullying is, but not limited to, any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications, on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual’s personal electronic media and equipment.

(b) The act contributes to a substantial risk of potential physical injury, mental harm or degradation or causes physical injury, mental harm or personal degradation.

REPORT INDICENTS OF BULLYING
A student who is experiencing bullying, or believes another student is experiencing bullying, is to report the situation to the principal, administration or another school employee verbally or in writing. The principal or the principal's designee shall investigate all reports of bullying.
You may report bullying to any administrator, teacher, or support staff.
- Any school employee who becomes aware of or suspects a student is being bullied shall immediately notify the school administrator.
- School personnel shall maintain confidentiality of the reported information. If your report is verbal, you will be asked to fill out a form within one (1) day of reporting the issue listing all the relevant information. The form is available in the front office.
- Administration or designee will investigate and review the results with the alleged victim and shall notify the student's parent(s) of the report.
- If the principal or the principal's designee determines that bullying has occurred, discipline will be administered.

The student who has allegedly been bullied will be given a written copy of student's rights, protections and support services available. Parents will be notified. Administration will address the issue of the report and notify parents of the outcomes (within FERPA guidelines found on pg. 24 - 20 U.S.C.§1232g).
Regardless of the outcome of the investigation the principal or the principal's designee will meet with the involved students to review the findings of the investigation.
Reprisal by any student or staff member directed toward a student or employee related to the reporting of a case of bullying or a suspected case of bullying shall not be tolerated, and the individual(s) will be subject to the disciplines set out in applicable policies and administrative regulations.

Documentation related to reported bullying and subsequent investigation shall be maintained for not less than six (6) years. In the event the District reports incidents to persons other than school officials or law enforcement all individually identifiable information shall be redacted. Restrictions established by FERPA on disclosure of personally identifiable student information must be observed at all times.

GWECHS has established procedures designed to protect the health and safety of students who are physically harmed as the result of bullying. These include, when appropriate, procedures for contacting emergency medical services, law enforcement agencies, or both.

Knowingly submitting a false report under this policy shall subject the student to discipline up to and including suspension or expulsion. Where disciplinary action is necessary relevant District policies shall be followed. Law enforcement authorities shall be notified any time District officials have a reasonable belief that an incidence of bullying is a violation of the law.

Maricopa Community College District Sexual Harassment Policy
(AR 2.4.4 and 5.1.8-17) The policy of the Maricopa Community Colleges is to provide an educational, employment, and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal and/or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by local, state, and federal law.

Sexual harassment by and between employees, students, employees and students, and campus visitors and students or employees is prohibited by this policy. Violations of this policy may result in disciplinary action up to and including termination of employees, sanctions up to and including suspension or expulsion of students, and appropriate sanctions against campus visitors.
ZERO TOLERANCE
Disciplinary action in GWECHS will reflect zero tolerance of weapons on or near school property or at school activities, including guns that shoot pellets, BB's, or other similar material. Accordingly, a student who possesses any type of gun on or near school grounds or at school-sponsored activities before, during, or after school hours will be subject to long-term suspension or expulsion. Disciplinary action in this area will also reflect zero tolerance for possession or use of any other instrument in a dangerous, intimidating or combative manner.

REGULATION: It is strictly prohibited to possess firearms, any type of explosive devices, knives, or other dangerous instruments on district school grounds or at a school sponsored activity. Under the heading of “Harassment and Verbal Abuse,” any behavior intended to intimidate or demean others violates school rules. However, behavior, which intentionally intimidates or demeans another person or group on the basis of racial or ethnic background, has a uniquely destructive effect on school climate, often eroding an entire group’s feeling of safety. For this reason, intentional racial/ethnic insults or intimidation will never be tolerated in the school environment. (See ANTI-BULLYING POLICY)

CHEATING AND PLAGIARISM
Students who are found guilty of cheating and plagiarism will be dealt with severely. Students will receive no credit for the assignment or exam or may be subject to disciplinary procedures. Acts of academic dishonesty which will not be tolerated at GWECHS are listed below:

The following items have no place at school: knives, weapons or replicas of weapons of any kind, fireworks of any kind, lighters, matches, cigarettes, tobacco products of any kind, drugs, alcohol, pornography, portable radios, laser pointers or pens, water guns, baseballs, and hardballs. These items and anything else that causes problems of control at school will be taken and disciplinary action will follow. The classroom teacher has the discretion to prohibit any item that is disruptive to the instructional environment.
SAFE HARBOR PROVISION
A student who inadvertently possesses or finds a prohibited object shall immediately notify school staff and surrender the object. A student may approach a school staff member and voluntarily surrender an object prohibited by the Code of Student Conduct without being subjected to discipline so long as the object is one that the student could lawfully possess off school grounds. This rule does not apply to firearms or destructive devices. If a student discovers an illegal item (i.e., drugs or weapons) or other contraband on school property or at a school function, the student may approach a school official and report the discovery. A student shall not be in violation of the Code of Student Conduct solely for making such a report. School officials shall make a determination after an investigation of the report. The Safe Harbor Provision may not apply if a search is ongoing in any location at the school, if the object is surrendered during a search, or if the object is not turned in prior to discovery by school staff. With respect to objects that have been turned over to school staff, the parent/guardian must make arrangements to pick up the object from the school, unless it is an object that must be turned over to law enforcement.

All electronic devices including cell phones, blue tooth watches, laptops, gaming systems and headphones must be turned off and placed in backpacks during class time. These items will be confiscated and returned in accordance with the school’s discipline code.

Skateboarding on the campus of GateWay Community College is not allowed.
- Students who use a skateboard as a primary means of getting to school must complete a skateboard policy form. Forms are available in the Early College office.

For the safety and protection of the GateWay community and visitors, the following regulations apply:
- Skateboards shall not be used on GateWay campus ground. Members of the GateWay community and visitors, on the grounds of the campus or in its buildings, may have skateboards in their possession. If skateboards are carried into GateWay Early College or other Community College buildings, they shall not be placed in areas such as hallways, aisles, or other areas which will create hazardous conditions.
  - The faculty, staff, and administrative personnel of GateWay Early College High School will report violations of the skateboard policy to the College Safety Department of GateWay Community College.
  - Any student who violates the skateboard policy will be subject to disciplinary action, including but not limited to suspension from school.

- The College Safety Officer will complete an incident report which will become part of your permanent record at GateWay Early College and may confiscate your skateboard.
- You will be subject to disciplinary action which may include suspension from school.
- Your eligibility to take college classes may be negatively affected.
- You lose the right to bring a skateboard to school.

FIGHTING VS. ROUGH OR INAPPROPRIATE PLAY
- Fighting, defined as physical contact with another person intended to cause harm, is never appropriate on a school campus. This is distinguished from the type of play —especially that of younger students — in which participants may exceed the bounds of good judgment without intending to injure one another. Response to inappropriate play must be measured by the age of students and type of endangerment that results.

SELF-DEFENSE
- is defined as the act by a non-aggressor/victim using reasonable force to avoid being hit in order to enable oneself to get free from the attacker and notify school authorities. It is not self-defense to participate in the fight. Students who exceed reasonable force in protecting themselves will be disciplined for violating this rule even though another person provoked the fight. Administrators will have the discretion to recognize the need for self-defense on an incident-by-incident basis.

GANG ASSOCIATION OR ACTIVITY
- For the purposes of school discipline, a gang shall be defined as a group of three or more persons who (1.) have a name, (2.) claim a territory, (3.) have rivals/enemies, (4.) interact together to the exclusion of others, and (5.) exhibit antisocial behavior often associated with crime or a threat to the community.
“Gang behavior that initiates, advocates, or promotes activities which threaten the safety or well-being of persons or property on school grounds, or which disrupts the educational environment, is strictly forbidden. Any student wearing, carrying, or displaying gang clothing, symbols or paraphernalia; exhibiting behavior or gestures which symbolize gang membership; causing and/or participating in activities which intimidate or adversely affect the educational pursuits of another student or the orderly operation of the school shall be subject to disciplinary action.”

The following will be used to prohibit inappropriate and/or gang-related behavior on campus:

- Graffiti symbolizing gang membership or identification can inflame hostility between gangs and create a potentially violent situation. Students using graffiti may receive a suspension from school. Throwing signs may result in suspension.
- Baseball caps cannot be worn inside any enclosed area or they will be confiscated and returned to the student per dress code. Baseball caps containing gang identification/graffiti will be turned over to the police department and can be retrieved by parents.
- Before or after school altercations will be reported to the police immediately. School personnel, if necessary, will do follow-up.
- Weapons will be turned over to the police. Students will be suspended.
- Fighting will result in automatic suspension.
- Intimidation will warrant suspension.
- Students traveling to and from school who attend gang fights, and are identified by police, may receive detention by school personnel and/or a citation for loitering by the police.
- Students who continue to disrupt the educational process or pose a threat to other students due to gang-related behaviors will be recommended for long-term suspension or expulsion.

The principal may suspend or recommend for expulsion a student for any infraction of the following rules while on school grounds, going to or from school, during the lunch period whether on or off campus, or during, or while going to or coming from a school sponsored activity.

**DRUG ABUSE PREVENTION POLICY**

Student involvement with drugs, including alcohol, within 300 feet of school property, or at school-sponsored events, will be treated according to the following procedures. It shall be the responsibility of all school employees to report all reasonably suspected instances of the non-medical use of drugs to the principal or his/her designee.

**DRUGS, ALCOHOL AND INHALANTS USE, DISTRIBUTION, PURCHASE, OR SELLING OF DRUGS**

**REGULATION:** The possession, use, or being under the influence of non-prescribed drugs or alcohol on or near school property or school sponsored events by students is prohibited.

**SEARCH OF PERSONAL PROPERTY**

Inspection of personal property including but not limited to, clothing pockets, cars, backpacks may be conducted by Principal, Director of Federal Programs, or Student Success Liaison with reasonable suspicion with no parent notification.

The process could include, but not necessarily be limited to, the following:

- Utilization of community-based programs.
- Ongoing contact with student’s counselor to determine need for additional support from community agencies.
- An effort made by the student’s teachers or counselor to help him/her emphasize the positive alternatives to drug-using behavior.
Discipline
At times, consequences not set forth in the chart below may be developed if the proposed alternatives are viewed by the school official and parent as useful and appropriate.

The referring teacher must submit supporting documentation within 24 hours of removal. Upon receipt of the teacher’s recommendation to remove the student from class, the principal shall remove the student unless he/she can produce evidence that the basis for the recommendation was arbitrary or discriminatory and/or procedurally incorrect. Upon removal, the following steps will be completed by the principal: (1) Arrange for placement of the student in another class or an alternative setting, (2) Contact the parents to inform them of their child’s removal from class and an explanation of procedures, (3) Arrange for appropriate continuation of the student’s instructional program by securing individual lesson plans, learning objectives, and activities from the referring teacher, and (4) Arrange for a meeting of the school placement review committee to be conducted within three days of removal.
Sex Offender Notification
(A.R.S. 13-3825)
Legislation calling for community notification of sex offenders (A.R.S. 13-3825) took effect June 1, 1996. The legislation requires that law enforcement agencies, not schools, be responsible for notification of the neighborhood when a known sex offender resides in the area. The guidelines provide levels of notification based on the risk a particular sex offender poses to the community; there are three levels as determined by law enforcement officials. Level two and three sex offenders may present a danger to the community. When a level two sex offender moves into a community, the law enforcement agency may notify the school district. In the case of level three sex offenders, the agencies shall inform the school district. GWECHS will cooperate with law enforcement agencies by ensuring that principals and school staff members are notified as necessary. The Principal’s office will maintain a file of the notifications that may be reviewed by community members. School staff will have access on site to a copy of the notification and any other pertinent information. Copies of the neighborhood notifications may be obtained from the local school. In an effort to maintain trust and better inform the greater school community, GWECHS may send letters home with students.

School Property
(A.R.S. 13-2911)
Any student who cuts, defaces, or otherwise injures any school property is subject to suspension or expulsion and, upon complaint of the school; the parents of such students shall be liable for the damages.

Smoking and Use of Tobacco Products
(A.R.S. 36-798-03)
A.R.S. 36-798-03 prohibits the possession of tobacco products on all school grounds, buildings, parking lots, playing fields, buses and at off-campus school sponsored events. This law applies to all students, staff and visitors. Violations of this law are a “petty” criminal offense, punishable by a fine of up to $300. Smoking or possession of tobacco products is not permitted on or within 300 feet of school property (school grounds, inside school buildings, in school parking lots or playing fields, in school vehicles) or at off-campus school sponsored events.

The “Good Neighbor” Policy: Student Conduct within the School Community
(A.R.S. 13-201)
School rules and other reasonable expectations for student behavior are extended to include student conduct while going to and from school and while off campus during the normal school day. This includes the responsibility to observe traffic and pedestrian laws and the responsibility to act as a good neighbor, respecting the safety, welfare, and property of others during lunch hour. Failure to act as a good neighbor within the school community may result in disciplinary action (A.R.S. 13-201).

Suspected Child Abuse Notification
(A.R.S. 13-3620)
School personnel will comply with laws regarding child abuse and reporting to the department of Child Protective Services.

Abuse of Staff
(A.R.S. 15-507)
A person who knowingly abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his duties is guilty of a Class 3 Misdemeanor. In order to maintain a safe, orderly school environment, the authority of school staff members acting in their official capacity must be respected. For this reason, any form of threat, verbal, written, or physical abuse of staff will be treated as a serious offense warranting suspension or expulsion or possible referral to the police department. If concern about a staff member’s exercise of authority cannot be satisfied in direct, appropriate discussion with the individual, that concern should be brought to the attention of the administration.
Alcohol and Drug Violations and Arizona Drug Law
(A.R.S. 13-3411)
Alcohol or drug violations on or within 300 feet of school property, at school events, or at any time the student is subject to the district’s “good neighbor” policy will result in disciplinary action by school officials, notification of parents, and possible involvement of police. The following provisions of Arizona’s Drug Law (A.R.S. 13-3411) are offered as a warning. Arizona judges have no discretion to impose less than mandatory prison sentences and fines.
Here is what could happen if you are under the influence, in possession of, or sell drugs on or within 300 feet of school property:

If 18 or older, you will be tried as an adult.
If convicted as an adult, your crime will be classified as a felony carrying a minimum mandatory prison sentence of 3 years and 9 months and a minimum fine of $2,000. (If convicted as a minor, you may be placed in the custody of the Department of Corrections until the age of 18.)
If convicted of a drug offense, your driver’s license will be suspended until age 18; if you do not have a driver’s license, you may be denied a license until the age of 18.

Parental Involvement Regarding Drug Violations
(A.R.S. 15-843)
Whenever there is a reasonable suspicion that a student is suspected of violating the school drug policy and is questioned by the school principal or designee, his/her parent(s) or legal guardian(s) shall be notified that such questioning took place.
When it has been determined that a student has violated the school drug policy, his/her parents shall be notified. Additionally, parent conferences are not only encouraged, but shall be required throughout any disciplinary procedures (see A.R.S. 15-843) relating to this section.

Drug Use by Persons Other Than Students or Employees
(A.R.S. 13-2911)
Persons other than students or employees suspected of distributing, possessing, or under the influence of such substances, shall be reported to the principal or the person in charge. If the principal or person in charge is reasonably certain it has occurred, he/she shall inform law enforcement authorities, (see A.R.S. 13-2911) except that if it appears that the individual is an adult and is under the influence of alcohol and is not disorderly, then the principal or the person in charge shall use his/her discretion in notifying law enforcement authorities and shall take action as seems appropriate.

Duty to report abuse/neglect of minors
(A.R.S. 13-2911)
Any person who reasonably believes that a minor is or has been the victim of physical injury, abuse, child abuse, a reportable offense or neglect that appears to have been inflicted on the minor by other than accidental means or that is not explained by the available medical history as being accidental in nature or who reasonably believes there has been a denial or deprivation of necessary medical treatment or surgical care or nourishment with the intent to cause or allow the death of an infant who is protected under section 36-2281 shall immediately report or cause reports to be made of this information to a peace officer or to child protective services in the department of economic security, except if the report concerns a person who does not have care, custody or control of the minor, the report shall be made to a peace officer only. A member of the clergy, Christian science practitioner or priest who has received a confidential communication or a confession in that person's role as a member of the clergy, Christian science practitioner or a priest in the course of the discipline enjoined by the church to which the member of the clergy, Christian science practitioner or priest belongs may withhold reporting of the communication or confession if the member of the clergy, Christian science practitioner or priest determines that it is reasonable and necessary within the concepts of the religion. This exemption applies only to the communication or confession and not to personal observations the member of the clergy, Christian science practitioner or priest may otherwise make of the minor.
STUDENT COUNSELING

GWECHS recognizes the need for the availability of help to those who use/abuse drugs. Members of the professional staff desire to offer a helping hand relationship and referral when necessary. Staff persons must understand and recognize their personal and professional limitations and they are encouraged to refer students to appropriate resources. A list of resources shall be made available by the GWECHS counselor.

Persons who have received appropriate and documented training and demonstrate expertise in this area should conduct student counseling on drug use. Counseling should emphasize prevention as well as treatment and therefore should make an effort to be available to all pupils who desire this service.

Whenever a student seeks out an employee, other than a trained counselor to discuss his/her problems, the particular staff member should make an effort to direct the pupil to appropriate counseling.

Counseling Services, Confidentiality and Duty to Warn
GWECHS provides counseling services in a variety of ways: through individual sessions and group sessions as well as discussions which may occur in "Check and Connect." There are certain circumstances under which the counselor will not be able to maintain the confidentiality of the student as clearly defined by counseling ethical standards and/or state law.

State and local laws require that the counselor report all cases of physical or sexual abuse or neglect of minors, a disabled person or the elderly. According to State Law (ARS 13-3620), failure to report child abuse is a misdemeanor. School employees must report non-accidental injury, suspected sexual molestation, abuse and neglect to the Maricopa County Sheriff’s Department or Child Protective Services. The GWECHS staff will work discretely with any parents who wish to report suspected or observed child abuse.

State and local laws require that the counselor report all cases in which there exists a danger to self or others.
Confidentiality of records collected about the student will be held or released in accordance with a court order.
Counseling is a cooperative effort between the counselor and the individual. Each individual receiving services makes a commitment work with the counselor to resolve issues.
It may be necessary to discuss issues that are upsetting during the course of counseling. This may be necessary to help individuals resolve problems.

Furthermore, it has been established that parents and guardians have a legal right to communications between a minor and counselor. In an effort to fulfill this obligation while maintaining a respect for confidentiality, every effort will be made to have such a conversation occur with both the minor and the parent or guardian present.

Staff Education
Each school year, the counselor will arrange a staff in-service meeting that shall include information on relevant prevention issues: the identification of drug use, violence or other risky behaviors, and an approach that recognizes the dignity and worth of each student.

Student Education
Tobacco and drug abuse prevention shall be taught as part of the counseling curriculum in developmental groups. A primary goal of the program is to equip the learner for decisions they must make about drugs and tobacco and their lives.

The principal shall encourage the use of other educational information, including, but not necessarily limited to, assemblies, speakers, printed materials and bulletin board materials.
