

HESI A2 Resources - Diagnostic Medical Sonography (DMS)

The Learning Center has **FREE** study materials for the HESI A2 exam available through a Canvas course. You can self-enroll in the Canvas course, select any module you want to work on, and repeat it as many times as you want!

You can move through the modules sequentially or choose the sections and topics that are more beneficial to you. This Canvas course has materials for the Grammar, Reading, Vocabulary, Math, and Anatomy and Physiology sections of the HESI A2 exam.
