

SaPHE LAB
SAFE PATIENT HANDLING EDUCATION

SAFE PATIENT HANDLING AND MOBILITY

GateWay Community College now has state-of-the-art Safe Patient Handling Education (SaPHE) program labs at two conveniently located campuses.

Safe Patient Handling and Mobility has been shown to:

- Reduce caregiver injuries in hospitals, care facilities, and in the home
- Reduce patient injuries
- Improve patient mobility
- Reduce costs to employer
- Assist with patients of size
- Improve interdisciplinary care and education

The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, <https://www.maricopa.edu/non-discrimination>.
