Congratulations! You are taking the first step to applying for the GateWay Community College Aesthetician program. Our school provides hands-on training designed to prepare you for a successful career in today's workforce. As an Aesthetician, you'll become a skilled skin care professional specializing in services such as facials, skin analysis, and body treatments, including full-body exfoliation. You'll also gain expertise in hair removal using both hard and soft wax, light exfoliation with fruit acids (peels), and microdermabrasion. Suppose you enjoy working with people and are seeking a career that offers opportunities in cruise ships, day spas, resorts, salons, or private practice. In that case, our Aesthetician program is perfect for you!

Our accredited program takes approximately seven months to complete, and graduates earn a **Certificate of Competency (CCT)** in Aesthetics. To practice as a licensed Aesthetician, you'll need to pass the **Arizona State Board of Barbering and Cosmetology** exam, which includes two written tests. For more details on Aesthetician careers and salary expectations, we encourage you to visit oneline.org.

PROGRAM OVERVIEW

Clock Hour Trade & Technical Training

GateWay Community College offers specialized clock-hour trade and technical programs designed to prepare students for careers through focused, hands-on learning. Unlike traditional credit-hour programs, clock-hour programs measure progress based on the number of hours and weeks of instructional time completed, providing a direct path to certification. These programs emphasize practical training, allowing students to develop industry-specific skills from experienced professionals. In as little as six months, students can earn certifications in fields such as healthcare, cosmetology, construction, and advanced manufacturing.

With expert instructors and state-of-the-art facilities, GateWay ensures students gain the real-world experience needed to succeed. Whether your goal is to save lives, design new styles, reduce stress, construct shelters, or machine future technologies, GateWay's programs are tailored to provide the essential skills for career success. Located in the Phoenix metropolitan area, GateWay has been serving the community since 1968, committed to innovation and excellence in education.

Aesthetics

If you have a passion for skincare and beauty and want to help others feel great about themselves, consider a career as an Aesthetician. Aesthetics is a vital part of the beauty and wellness industry. As the largest organ of our body, skin requires constant care, yet many people either overlook it or don't know how to care for it properly. As an Aesthetician, you'll pamper your clients and be the expert they rely on for healthy, beautiful skin.

Our skincare program will teach you everything you need to become a specialist and prepare you for the [Arizona State Board of Barbering and Cosmetology](#) licensing exam. You'll gain the theoretical knowledge and hands-on skills needed to perform a variety of professional aesthetic treatments such as facial treatments, body treatments, skin resurfacing, and hair removal. Additionally, the program covers important safety and infection control procedures, along with career and business planning.

Whether you choose to work as a freelancer, in a salon, or as a business owner, this program will help you develop a rewarding career. Upon completing your required hours with a score of 80% or higher, you'll be eligible to apply for graduation and receive your certificate of competency. However, keep in mind that this does not guarantee an Aesthetics license in any state.
