## Estimated Expenses for the 2023-2024 Academic Year – Undergraduate Degree Programs

The *approximate* cost of one academic year of study (two semesters, approximately 10 months) at the Maricopa Community Colleges is:

Out of State tuition rate & fees (12 credits per semester):	\$9,115*
Housing & Living Expenses (off campus, 10 months):	\$17,200**
Textbooks and supplies:	\$1,104***
Mandatory health insurance from college	\$2,800
<b>Total:</b>	<b>\$30,219</b>

\*The actual tuition and fee amount is based upon a full time schedule of 12 credits per semester. Therefore, the cost of tuition and fees for one academic year would be \$8,928 (tuition), plus estimated fees for two semesters.

\*\*Housing & Living expenses will vary greatly depending on living preferences, location and other considerations. The \$17,200 is intended to be a rough estimate of costs and not a projected actual cost. Living expenses typically include: rent, utilities, transportation, food and incidental expenses. The estimated range of housing alone can vary from \$1,000 - \$1,400 for a room for rent or a one-bedroom apartment per month to \$2,000 or more per month across the greater Phoenix area. For shared housing, the cost can be lower if accommodations are shared with one roommate or more or if free accommodations are provided by family or a relative(s). Supplemental information on estimated housing and living expenses near each campus will be provided.

\*\*\* This amount is based on the consideration that some textbooks will need to be purchased during the period of study. Other options may be available including materials provided by instructors, and/or the option to rent some textbooks. Therefore, the actual amount may be higher or lower than the estimated cost above.

Note: Cost and estimated expenses are subject to change without notice.

**Note: Applicants will be asked to provide proof of additional funding for each accompanying dependent (\$5,000 for the first person, \$2,500 for each additional dependent). A dependent is defined as the spouse or child of the F-1 student.**

Please indicate how much money you will have available to you for each year of study at the Maricopa Community Colleges (\$30,219 minimum): \_\_\_\_\_

Please indicate the source(s) of funds (e.g. family, personal savings, embassy, government scholarship or loan) and the amount from each source:

*(Name of Maricopa Community College Student Is Applying To)*

I understand that international students applying for a SEVIS I-20 Certificate of Eligibility from one of the Maricopa Community Colleges need to show evidence that they will have at least \$30,219 per year to cover all educational and living expenses. For your review, I am **submitting official financial documents** showing that I have sufficient funds for this purpose.

I understand that I am making a commitment to the United States government and to the student, and will not expect the student to contribute through employment, as employment is strictly controlled by U.S. law and very limited to F-1 students.

\_\_\_\_\_ The above-named applicant will be residing in my house and I will provide the room and board expenses valued at \$17,200.

\_\_\_\_\_ Educational expenses valued at \$13,019 will be provided by me. I have included my official financial document as part of the required documentation.
