Disability Verification Form

Disability Resources and Services (DRS) provides academic services and accommodations for students with diagnosed disabilities. The documentation provided regarding the disability diagnosis must demonstrate a disability covered under Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) of 1990, as amended (2008). The ADA defines a disability as a physical or mental impairment that substantially limits one or more major life activities.

1. The healthcare professional(s) conducting the assessment and/or making the diagnosis must meet Maricopa requirements for documentation. These persons are generally trained, certified, or licensed to diagnose medical conditions. [https://district.maricopa.edu/regulations/admin-regs/section-2/2-8](https://district.maricopa.edu/regulations/admin-regs/section-2/2-8)

2. All parts of the form must be completed as thoroughly as possible. Inadequate information, incomplete answers, and/or illegible handwriting will delay the eligibility review process by necessitating follow up contact for clarification. It is recommended that this form be completed by providing the information in this form.

3. The information you provide will be kept in the student’s DRS file where it will be held securely and confidentially.

4. If you have questions regarding this form, please call Disability Resources and Services at the campus where you are registered for services.

5. Important: After documentation is reviewed, Disability Resources and Services will send an email notification to the student’s Maricopa email account, (MEID@maricopa.edu), acknowledging receipt of documentation and the student’s eligibility status.

We understand you may wish to submit a letter instead:. The letter must be on letterhead, with date and signature, and must include the following:

- a diagnostic statement identifying the disability (including the date of the diagnosis)
- current severity/impact of the disability (mild/moderate/severe)
- an assessment of major life activities that are impacted by the disability (e.g., learning, concentration, class attendance, social interactions, reading, walking, etc.)
- specific recommendations for accommodations.
