Occupational Information

Nursing Assistants perform routine tasks in the general care of hospital, clinic, and nursing home patients. They work directly under the supervision of registered and practical nurses. Their role in performing basic patient care assists the licensed staff in providing quality nursing to the patient. The Nursing Assistant occupation is one of a series of possible steps on a career ladder in the health care field. Nursing Assistants are an important member of a health care team. Typical patient-care duties include bathing and dressing patients, helping with personal hygiene, taking vital signs, answering call lights, transporting patients, servicing and collecting food trays, and feeding patients.

Certification Information

The Maricopa Community Colleges offer a comprehensive Nursing Assistant Course that is approved by the Arizona State Board of Nursing. Upon satisfactory completion of this course, the student is eligible to take the Arizona State Board of Nursing certifying exam, become a Certified Nursing Assistant, and choose to go directly to work or continue to pursue education opportunities in other health care careers. Information on the Arizona State Board of Nursing application process is available at <http://www.azbn.gov>. The certifying exam is administered by state certified evaluators and students may take the exam scheduled at nearby testing centers. The fee for this exam is \$118 (subject to change) and is payable to the state evaluators. For more information go to http://hdmaster.com/testing/cnatesting/arizona/AZ_CNA_Home.htm

An additional and separate LEVEL ONE Fingerprint Clearance Card is required for certification. The Department of Public Safety card required for enrollment in nursing classes at the colleges will not meet the requirements for state certification. Allow a minimum of six (6) weeks for fingerprint clearance when applying for nursing assistant certification.

The Arizona State Board of Nursing office is located at 1740 N. Adams Street, Suite 2000, Phoenix, Arizona, 85007. Phone 602-771-7800, FAX 602-771-7888. <https://www.azbn.gov>

. INFORMATION FOR STUDENTS

- **ZERO TOLERANCE POLICY:** The Maricopa Community Colleges Nursing Assistant Program supports a Zero Tolerance Policy for the following behaviors:
 - Intentionally or recklessly causing physical harm to any person on the campus or at a clinical site, or intentionally or recklessly causing reasonable apprehension of such harm.
 - Unauthorized use or possession of any weapon or explosive device on the campus or at a clinical site.
 - Unauthorized use, distribution, or possession for purposes of distribution of any controlled substance or illegal drug on the campus or at a clinical site.

Nursing Program student engaging in this misconduct is subject to immediate dismissal from nursing classes and disciplinary action as described in the Student Handbook of the college.

- **HEALTH DECLARATION:** It is essential that nursing students be able to perform a number of physical activities in the clinical portion of the program. At a minimum, students will be required to lift patients, stand for several hours at a time and perform bending activities. Students who have a chronic illness or condition must be maintained on current treatment and be able to implement direct patient care. The clinical nursing experience also places students under considerable mental and emotional stress as they undertake responsibilities and duties impacting patients' lives. Students must be able to demonstrate rational and appropriate behavior under stressful conditions. Individuals should give careful consideration to the mental and physical demands of the program prior to making application.

All students placed in the nursing program must provide documentation of compliance of all health and safety requirements required to protect patient safety. Only students providing documentation of compliance are permitted to enroll in nursing courses. Students will meet these requirements by providing the Health/Safety Requirements Documentation Checklist and the signed Health Declaration Form, with all documentation attached, as directed.

- **FINGERPRINTING REQUIREMENT:** Fingerprint clearance is required for enrollment in nursing courses. Fingerprint clearance is required to work and care for children, the elderly, and any vulnerable adult. If there is a positive criminal history, a fingerprint clearance may be denied. The Level One Fingerprint Clearance Card cannot expire during the Nursing Assistant program. The Level One Fingerprint Clearance Card required for the Nursing Assistant program will not meet the requirements for certification through the Arizona State Board of Nursing.
- **DRUG SCREENING:** All students are required to submit to a urine drug screening laboratory test. Students must complete the urine drug screening under the program account number, within the specified timeframe, and according to directions given at the time of notification to meet this requirement. Only students meeting the drug screening requirement and receiving negative drug screens, as reported by the Medical Review Officer (MRO), will be permitted to maintain enrollment in nursing courses.
- **WAIVER OF LICENSURE/CERTIFICATION GUARANTEE:** Admission or graduation from the Nursing Program does not guarantee obtaining a license or certificate to practice nursing. Licensure and certification requirements and the subsequent procedures are the exclusive right and responsibility of the Arizona State Board of Nursing. Students must satisfy the requirements of the Nurse Practice Act: Statutes, Rules and Regulations, independently of any college or school requirements for graduation. According to A.R.S. § 32-1646 (B), an applicant for nursing assistant certification is not eligible for certification if the applicant has had any felony convictions and has not received an absolute discharge from the sentences for all felony convictions. The absolute discharge from the sentence for all felony convictions must be received three (3) or more years before submitting this application. If you cannot prove that the absolute discharge date is three or more years, the Board will notify you that you do not meet the requirements for certification.

All nursing assistant applicants for certification will be fingerprinted to permit the Department of Public Safety to obtain state and federal criminal history information. All applicants with a positive history are investigated. If there is any question about eligibility for licensure or certification, contact the nursing education consultant at the Arizona State Board of Nursing (602-771-7800).

HEALTH AND SAFETY REQUIREMENTS

EXPLANATION OF HEALTH AND SAFETY REQUIREMENTS

A. MMR (Measles/Rubeola, Mumps, & Rubella)

a. Attach a copy of proof of positive IgG antibody titer for Measles/Rubeola, Mumps and Rubella or completion of one series of MMR immunizations. One “series” of immunizations includes immunization for each disease on separate dates at least 28 days apart.

OR

b. If you had all three illnesses OR you have received the vaccinations but have no documented proof, you can have an IgG MMR titer drawn.

1. If the titer results are POSITIVE, attach a copy of the lab results to the health declaration form.
2. If any of the titer results are NEGATIVE or EQUIVOCAL, you must get your first MMR vaccination and attach documentation to this health and safety documentation checklist. The second MMR must be completed after 28 days and proof submitted to the nursing department

B. Varicella (Chickenpox)

a. Attach a copy of proof of a positive IgG titer for varicella.

OR

b. If the titer is NEGATIVE or EQUIVOCAL, attach a copy of proof to this health and safety documentation checklist that you received the first vaccination. Complete the second vaccination 30 days later and submit proof to the nursing department.

C. Tetanus/Diphtheria/Pertussis (Tdap):

Tdap = Tetanus / Diphtheria / Pertussis

Td = Tetanus / Diphtheria

You must provide proof of a one-time adult dose of Tdap (age 19 or older), followed by a Td booster every 10 years. The most recent immunization must be within the past two years. Attach proof of a Tdap vaccination and Td if indicated.

D. Tuberculosis (TB)

All students entering the nursing program are required to submit documentation of negative tuberculosis status. Documentation may include a negative 1 or 2 step Tuberculosis Skin Test. If you have ever received skin test in the past, you are required to get a 1 step test before beginning the nursing program. If you have never had a skin test in the past, you are required to get a 2 step test. A skin test is considered current if no more than 365 days have elapsed since the administration of the test. For a 2-step test, the 365 day time interval starts the day the second test is administered. If you have ever had a positive skin test, you must provide documentation of a negative QuantiFERON or negative chest X-ray within the last 2 years and annual completion of a Tuberculosis Screening Questionnaire.

Documentation for TB skin testing requires date given, date read, result along with the name and signature of the healthcare provider.

E. Hepatitis B

If you have not received the injections in the past, do not get a titer. You must obtain the first injection and attach a copy as requested. The second injection is given 1 to 2 months after the first dose and the third injection is 4 to 6 months after the first dose.

- a. Submit a copy of proof of a positive HbsAb titer.

OR

- b. Attach a copy of your immunization record, showing completion of the three Hepatitis B injections.
- c. If the series is in progress, attach a copy of the immunizations received to date. You must remain on schedule for the remaining immunizations and provide the additional documentation. One to two months after your last immunization, it is recommended that you have an HbsAb titer drawn.

OR

- d. Submit a copy of proof of a positive HbsAb titer.

F. Influenza (Flu Vaccine)

Students are required to be vaccinated every flu season and to upload documentation proving annual vaccinations. Upload a copy of proof of flu vaccine proving annual vaccination.

G. Submit CPR (Healthcare Provider Level) card.

CPR certification must include infant, child, and adult, 1 and 2-man rescuer, and evidence of a hands-on skills component. Attach a copy of both sides of the CPR card to this form. CPR certification must remain current through the semester of enrollment. A fully online CPR course will not be accepted.

H. Level One Fingerprint Clearance Card: The original Fingerprint Clearance Card (FCC) will need to be presented and validated. The FCC must remain current throughout the semester of enrollment. If at any time your card becomes sanctioned or is revoked, the student must immediately notify the Nursing Assistant Program Coordinator within five (5) school days and will be unable to continue in the program until the FCC is reinstated. The student must be able to show his or her FCC at any time upon request.

I. Health Care Provider Signature Form: Reviewed and signed by a licensed physician (M.D., D.O.), a nurse practitioner, or physician's assistant within the past six (6) months.

J. Certified Background Clearance Document: All students admitted to the program are required to show a "Pass" result on the MCCC-required background screening. Information on the background clearance is obtained once you are accepted into the program.

K. COVID-19 Documentation: All students will show proof of first and second injection OR Proof of single injection with vaccination card OR Provide a signed declination form for medical or religious reasons.

IMPORTANT:

- All students placed must provide documentation of compliance for the vaccinations and testing required to protect patient safety.
- Only students uploading/providing documentation of health and safety requirements are eligible to remain enrolled in nursing courses.
- The Nursing Department requires students to submit proof of health and safety documents for purposes of verification. Original documents will be retained by the student after submission to American DataBank.
- Students are responsible for maintaining their health and safety documentation and must submit documentation by due dates provided by American DataBank or the school. Failure to maintain program health and safety requirements may result in clinical warning, clinical probation, and/or withdrawal from the nursing program.
- All immunization records must include student name and the signature of healthcare provider.
- Health and safety requirements are subject to change depending on clinical agency requirements.

Overview of the Requirements

In order for students to be admitted to or maintain enrollment in good standing in Maricopa County Community College District's ("MCCCD") Allied Health and Nursing programs ("Programs") beginning on September 1, 2011, students must provide with their application to a Program all of the following:

- A copy of an Arizona Department of Public Safety Level-One Fingerprint Clearance Card ("Card"). Students are required to pay the cost of applying for the Card. Cards that are NOT Level-One status will not be accepted
- An original version of the "**Criminal Background Check Disclosure Acknowledgement**" form attached to this Summary signed by the student.
- A document from MCCCD's authorized vendor for background checks demonstrating that the student has passed the background check. Students are required to pay the cost of obtaining the background check. Students whose background checks on the date of actual admission to a Program that are more than 6 months old or students who have been in a Program for more than 12 months may be requested to obtain an updated background check. The addition of this criminal background check is due to the fact that some of MCCCD's largest clinical experience partners have established standards that are more stringent than those for obtaining a Card.

At all times during enrollment in a Program, students must obtain and maintain BOTH a valid Level-One Fingerprint Clearance Card and passing disposition on supplemental background check performed by MCCCD authorized vendor. Admission requirements related to background checks are subject to change as mandated by clinical experience partners

Implementation of the Requirements

1. Students that are denied issuance of a Card may be eligible for a good cause exception through the Arizona Department of Public Safety. It is the student's responsibility to seek that exception directly with the department. Until the student obtains a Card and meets the other requirements for admission, he or she will not be admitted to a Program.
2. Students admitted to a Program whose Card is revoked or suspended must notify the Program Director immediately and the student will be removed from the Program in which they have been admitted or are enrolled. Any refund of funds would be made per MCCCD policy.
3. The **Criminal Background Check Disclosure Acknowledgement** directs students to disclose on the data collection form of the MCCCD authorized background check vendor all of the requested information as well as any information that the background check may discover. Honesty is important as it demonstrates character. Lack of honesty will be the basis for denial of admission or removal from a Program if the information that should have been disclosed but was not would have resulted in denial of admission. Failure to disclose other types of information constitutes a violation of the Student Code of Conduct and may be subject to sanctions under that Code. Students have a duty to update the information requested on the [background check vendor] data collection form promptly during enrollment in a Program. The [background check vendor] data collection form may ask for the following information but the form may change from time to time:
 - Legal Name
 - Maiden Name
 - Other names used
 - Social Security Number
 - Date of Birth
 - Arrests, charges or convictions of any criminal offenses, even if dismissed or expunged, including dates and details.
 - Pending criminal charges that have been filed against you including dates and details. Participation in a first offender, deferred adjudication or pretrial diversion or other probation program or arrangement where judgment or conviction has been withheld.

The authorized MCCCD background check vendor will be asked to pass or fail each student based on the standards of MCCCD's clinical experience partners that have established the most stringent requirements. The sole recourse of any student who fails the background check and believes that failure may have been in error is with the background check vendor and not MCCCD.

**ACKNOWLEDGEMENT OF CRIMINAL BACKGROUND CHECK REQUIREMENTS
APPLICABLE TO STUDENTS SEEKING ADMISSION TO ALLIED HEALTH OR NURSING**

Maricopa County Community College District

In applying for admission to a Nursing or Allied Health program (“Program”) at the Maricopa County Community College District, you are required to disclose on the Arizona Department of Public Safety (DPS) form all required information and on the MCCCDC authorized background check vendor data collection form any arrests, convictions, or charges (even if the arrest, conviction or charge has been dismissed or expunged), or participation in first offender, deferred adjudication, pretrial diversion or other probation program on this form. Additionally, you must disclose anything that is likely to be discovered in the MCCCDC supplemental background check that will be conducted on you.

Please complete the DPS form, the MCCCDC authorized background check vendor form and any clinical agency background check form honestly and completely. This means that your answers must be truthful, accurate, and complete. If you know of certain information yet are unsure of whether to disclose it, you must disclose the information, including any arrest or criminal charge. Additionally,

By signing this acknowledgement, you acknowledge the following:

- I understand that I must submit to and pay any costs required to obtain a Level-One Fingerprint Clearance Card and an MCCCDC supplemental criminal background check.
- I understand that failure to obtain a Level-One Fingerprint Clearance Card will result in a denial of admission to a Program or removal from it if I have been conditionally admitted.

- Any misdemeanor controlled substance conviction last 7 years
- Any other misdemeanor convictions within last 3 years
- Exceptions: Any misdemeanor traffic (DUI is not considered Traffic)
- I understand that I must disclose on all background check data collection forms (DPS, MCCCDC background check vendor and a clinical agency background check vendor) all required information including any arrests, convictions, or charges (even if the arrest, conviction or charge has been dismissed or expunged), or participation in first offender, deferred adjudication, pretrial diversion or other probation program. That includes any misdemeanors or felonies in Arizona, any other State, or other jurisdiction. I also understand that I must disclose any other relevant information on the forms. I further understand that non-disclosure of relevant information on the forms that would have resulted in failing the background check will result in denial of admission to or removal from a Program. Finally, I understand that my failure to disclose other types of information of the forms will result in a violation of the Student Code of Conduct and may be subject to sanctions under that Code.
- I understand that, if a clinical agency to which I have been assigned does not accept me based on my criminal background check it may result in my inability to complete the Program. I also understand that MCCCDC may, within its discretion, disclose to a clinical agency that I have been rejected by another clinical agency. I further understand that MCCCDC has no obligation to place me when the reason for lack of placement is my criminal background check. Since clinical agency assignments are critical requirements for completion of the Program, I acknowledge that my inability to complete required clinical experience due to my criminal background check will result in removal from the Program.
- I understand the Programs reserve the authority to determine my eligibility to be admitted to the Program or to continue in the Program and admission requirements or background check requirements can change without notice.
- I understand that I have a duty to immediately report to the Program Director any arrests, convictions, placement on exclusion databases, suspension, removal of my DPS Fingerprint Clearance Card or removal or discipline imposed on any professional license or certificate at any time during my enrollment in a Program.
