MEAT CUTTING CERTIFICATE

APPRENTICE MEAT CUTTER

CERTIFICATE NUMBER 1720

As an Apprentice Meat Cutter, you will safely use and maintain hand tools and all power equipment utilized in the meat cutting industry, including a variety of knives, meat saws, meat grinders, a meat tenderizer, and meat slicers. You will identify, cut, wrap, weigh, and display all retail cuts of meat for sale in a retail environment. You will maintain and merchandise a retail meat case, and manage inventory. During your program, you will also gain experience filling customer orders, and during game season, you will break down and process a variety of meats like elk, deer, antelope, and javelina. You may also process whole cattle, hogs, and lamb. All tasks are performed while maintaining industry safety and sanitation standards.
