Dear Registered Nurse:

Welcome to the GateWay Community College Operating Room Nurse program. As a registered nurse of Arizona or a compact state, this program will allow you to gain skill and understanding on how to provide quality care to the patient in the pre-operative setting, the operating room, and post operatively.

The foundation of this spring program is face-to-face classroom experience based on the A.O.R.N. standards that gives the Registered Nurse the skills to work as an operating room nurse. The on campus operating room lab experience will ensure competency in scrub and circulating roles. This program incorporates instruction and hands-on labs including handling of instrumentation, medications, aseptic technique, surgical prep procedures (scrubbing, gowning, gloving, prepping, and draping), and scrubbing and circulating general surgery procedures. The student will also learn general surgery procedures, how to manage the surgical suite in conjunction with the surgical team with specialty patient populations.

Whether you are a new registered nurse, returning to the field of nursing, or currently working in another field the completion of this program will allow you to practice and be able to perform at the side of a preceptor in the circulating or scrub role in the operating room.

Thank you for your interest in the GateWay Community College Operating Room Nurse Program. Please contact me to obtain a seat in this program. We look forward to seeing you in class.

Sincerely,

Brandy Thompson

CAREER DESCRIPTION

In this challenging occupation, you will specialize in patient care and the role of the scrub nurse during the preoperative, intra-operative and postoperative phases of surgery. The Operating Room Nurse (PON) registered nurses have a lot of responsibility. You may provide pre- and post-operative teaching to patients and their families. Some of your intra operative duties may include patient assessment, identifying desired patient outcomes and evaluating patient care. To provide a safe environment, perioperative nurses need to have a broad knowledge of surgical anatomy, physiological alterations and risk factors.

You will have the opportunity to use your skills and knowledge of surgical procedures, interviewing patients, handling instruments and suture using aseptic technique and managing patient care equipment. Your responsibilities will also encompass scrubbing and assisting the surgeon. The role of the circulating nurse will involve assisting the anesthesiologist along with providing instruments, medications and supplies to the scrub team.

Perioperative Nurses are employed in either the inpatient or the outpatient surgical departments of hospitals or surgical centers.

Upon 2400 hours of on the job experience (1200 hours perioperative nursing) (1200 hours in intraoperative nursing) you have the opportunity to sit for the CNOR certification, Certified Nurse in the Operating Room with eligibility through Competency and Credentialing Institute (CCI).

BACKGROUND CHECK, DRUG SCREENING AND OTHER CLINICAL REQUIREMENTS

MCCCD BACKGROUND CHECK POLICY REQUIREMENTS
Students seeking admission to an MCCCD Allied Health or Nursing Program (Program) will be required to obtain a valid Level-One Arizona Department of Public Safety Fingerprint Clearance Card (FCC) AND pass an MCCCD background check. Information on obtaining the FCC can be found at https://www.azdps.gov/services/public/fingerprint. Students will receive information regarding the MCCCD Background Check after admission, but prior to the beginning of the program. Students are responsible for the costs of both clearance checks.

We encourage students to apply for the card early in the application process. Please allow a minimum of eight weeks processing time for the DPS Level-One Fingerprint Clearance card. The card is valid for six years from the date of issue.

DRUG SCREENING
Each student must complete an unannounced drug screen prior to beginning clinical rotations. Again, the cost for test is a student responsibility. Students will receive information regarding the drug screening at the time of the test.

Please note - MCCCD policy, as well as the policy of most of the facilities where clinical rotations are performed, do not allow an exception for medical marijuana. Marijuana, or its metabolite, will result in a drug screen failure. Possession of a medical marijuana card does not exempt students from these policies.

Clinical Requirements
In order to participate in clinical rotations, all students must meet the clinical requirements. Timelines and details on the process of submitting verification of these requirements will be provided at admission. They include immunization requirements, CPR/BLS training verification as well as medical screenings. Details on these requirements can be found at https://www.maricopa.edu/academics/healthcare/requirements.

ACCREDITATION

GateWay Community College is a Maricopa Community College, accredited by the Higher Learning Commission (hlcommission.org), a regional accreditation agency recognized by the U.S. Department of Education. For the latest information on programs, graduation rates and consumer information, visit gatewaycc.edu.
POLICIES, RULES, REQUIREMENTS, AND REGULATIONS COMPLIANCE

❖ Policies, courses, programs, fees, and requirements may be suspended, deleted, restricted, supplemented, or changed through action of the Governing Board of the Maricopa Community Colleges.

❖ The Maricopa Community Colleges reserves the right to change, without notice, any materials, information, curriculum, requirements, and regulations.

❖ Admission or graduation from any Allied Health program at GateWay Community College does not guarantee the student’s professional certification, licensure, or employability. The student must comply with legal requirements of the profession. This may include provisions from Arizona Revised Statutes 41-1758.03 (sections B and C) regarding the denial of a fingerprint clearance card or being listed on the US government’s Office of Inspector General’s Exclusion List.

❖ Students enrolled in the program will have learning experiences in a health care setting where they will have access to confidential information. Prior to beginning any clinical studies the students will be asked to sign an agreement to adhere to the requirements of those clinical sites and applicable laws, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

❖ Students with related health care experiences not listed in the Program (Health Core Curriculum courses) Prerequisites/Co-requisite options, may request an evaluation for course competency equivalence by contacting the Health Sciences Division at 602-286-8477 or by contacting Admissions and Records at 602-286-8200.

❖ Up to date Program material can be found online at https://www.gatewaycc.edu/surgical-technology-operating-room-nurse

EEO STATEMENT

❖ The Maricopa County Community College District (MCCCD) is an EEO/AA institution and an equal opportunity employer of protected veterans and individuals with disabilities. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, or national origin. A lack of English language skills will not be a barrier to admission and participation in the career and technical education programs of the District.

❖ The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. For Title IX/504 concerns, call the following number to reach the appointed coordinator: (480) 731-8499. For additional information, as well as a listing of all coordinators within the Maricopa College system, http://www.maricopa.edu/non-discrimination.

COLLEGE COMMUNICATION

The following information is very important so you do not miss any notices:

We communicate with students strictly through your Maricopa College e-mail, not your personal e-mail account.

We have a district-wide Google powered email system. This system is the way we send all official College communications concerning selective admissions, class enrollment, financial aid, tuition due dates and other important student information.

All students will need to check their new student e-mail regularly or forward the new student e-mail to a personal e-mail to ensure that all official college communication is received.

Students may access their new e-mail accounts directly from their Student Center once they log in at my.maricopa.edu. 1st section “Student Communication Center”.

The benefits to you include:

● Quicker response
● Convenience. You can receive and read e-mail even if out-of-town
● Saves trees!
Go to my.maricopa.edu & log in to your account. Click on ‘create an account’ in the paragraph above the picture of the students to set up your student account. You may edit your information, such as address, phone, etc. here also if you need to. This is a self-service for students, which includes registering for classes, adding/dropping classes, making payments, printing your class schedules, viewing financial aid & viewing your grades. If you have any technical issues, please call 1-888-994-4433.
